"Remarkable! is thrilled to offer this unique, live weekly conversation broadcast to personally connect our highly sought-after talent with potential clients and fans. Within one hour, we rebroadcast it to those who could not join us live. And five days later, it becomes a Podcast for everyone to hear - no matter where and when they listen. Through these connections, we are able to better reach the event planners and those looking for Remarkable talent - and they are able to make better decisions about who they want to work with at their next event!"

-Sue Falcone, CEO

"Thought-provoking material mixed with inspiration! You will walk away with gold nuggets to apply in your business and life, and new perspectives too. Host Sue Falcone has a warm, witty, and wise demeanor and makes you feel like she's welcoming you into her world with hospitality. I don't know of any other speakers bureau representing their talent to the world in this way."

-Angela Buttner: Corporate Leadership & Wellness Keynote Speaker

"It is such an honor to be part of the 'Simply' Remarkable! live show and podcast! Sue's combination of high energy and superb organization translates into a motivating and entertaining program with amazing takeaways!"

-Mary Kelly: CSP, CPAE: Leadership Keynote Speaker, Best-Selling Author, US Navy-Retired Commander

"Sue is an outstanding interviewer. She did her research beforehand and understood our core messages. So, by the time we got on the Live Show, it was like a conversation with a dear friend."

-Adrian Gostick & Chester Elton: New York Times Best-Selling Authors, Award-Winning Keynote Speakers, Executive Coaches
