## FULL SPEED AHEAD

Vince Poscente helps teams and leaders accelerate results by doing what the competition is **not willing** to do. From recreational skier to Olympian (in four years) to business strategist, Vince has spent his three-decade career teaching people how to navigate uncertainty, thrive with confidence on command, and move full speed ahead, even in chaotic times. Known for his high energy, engaging humor, and takeaway tools, Vince's message is built on real, high-performance experience, not theory.
