

DEVIN HENDERSON

WHAT ELSE IS POSSIBLE?

Keynote speaker and award-winning magician Devin Henderson helps organizations defy limits to **achieve the seemingly impossible.**

Devin Henderson is a multi-talented powerhouse who helps organizations make mental barriers disappear so leaders and teams can achieve next-level success. As the author of *What Else Is Possible?* and a two-time Smart Meetings award winner and Certified Speaking Professional, his presentations combine powerful illusions with actionable takeaways and a message of profound hope to inspire people to help people breakthrough limitations, unleash their best qualities, and achieve extraordinary results together.

With accolades including 2010 Stage Magician of the Year and Close-Up Magician of the Year from the International Brotherhood of Magicians, Devin brings unique credibility to the stage. He has spent two decades and thousands of performances mastering the art of making the impossible look effortless, sharing stages with comedy legends like Mike Birbiglia, Sinbad, and Brian Regan.

After being personally invited to audition for *America's Got Talent*, he learned that failure isn't a dead end, it's a fork in the road. That experience shaped his signature philosophy: The Possibility Mindset, which asks "What else is possible?" and never stops asking. Through his keynotes, he helps teams create cultures where breakthrough thinking becomes the norm. Devin lives in Kansas City with his wife Lynn and their beautiful children.

"Devin has delivered powerful keynotes for T-Mobile more than once—no one does it better. Now, the same transformative ideas are in this book."
